

SAMEER BHAVNANI CASE STUDY

How Figueroa Digital helped Sameer Bhavnani create and grow a successful Youtube channel with now over 35 million total views.

OVERVIEW

Sameer Bhavnani was not new to the YouTube game, but needed to outsource video production for his new channel. Figueroa Digital was able to assist in the editing and publishing of three to four videos per week. We also managed publishing to social media such as Facebook to other audiences.

“The work that Figueroa Digital does on a daily basis is always consistent, quality, and error-free work.”

-Sameer Bhavnani

RESULTS

\$82,000

Estimated Monthly Earnings

35,000,000

Total Views (Jul 4, 2021)

192,000

Subscribers (Jul 4, 2021)

CONCLUSION

To transform quality footage into quality videos, Sameer Bhavnani trusted Figueroa Digital to meet his video editing needs on an ongoing basis. As we continue to work with him, his team, and his channel, we continue to see improved performance, accelerating growth, and steady revenues.

Figueroa Digital not only offers quality video production and editing as a service, but also offers services in website design and development, graphic design, photography, SEO, social media management, content marketing, and much more.
